

92-711 AUDIO TECHNICA ATR4697 MICROPHONE Boundary,
omni condenser, battery only, 3.5mm 2-pole jack

Ideal for meetings & teleconferencing, the ATR4697 is a condenser boundary microphone with an omnidirectional polar pattern. It is useful in surface-mounted applications, for meetings, teleconferencing and desktop computer use. The microphone's low-profile design assures minimum visibility.

Perfect for teleconferencing, meetings & desktop computer use
Omni pickup pattern offers full coverage
Rugged construction for long-lasting performance
On/off switch on bottom of microphone
Permanently attached 1.5 m (4.9') cable (3.5 mm mini-plug)
