

TECHNICAL DATA SHEET

LECTERN ACTIVE:AMPLIFIED LECTERN WITH BUILT-IN SPEAKERS

DENON

PROFESSIONAL

KEY FEATURES

- Powered lectern with built-in 2-way speaker column
- Gooseneck microphone with XLR base
- RCA line and 3.5mm playback inputs
- XLR line output
- USB charging sockets
- AC convenience outlets

OVERVIEW

The Lectern Active is a portable lectern for multi-media presentations - perfect for hotels, churches, conference rooms and convention centers. This all-in-one solution is designed with professional features, such as a powerful 2-way speaker system, inputs for a microphone and playback device, and a separate output to feed an external sound system or remote zone. It also features a rigid laptop tray, a two-tier shelf system for presentation materials, and AC convenience outlets.
