Model HD-BP1

BACK-PACK Rear Cover

Installation/Operation

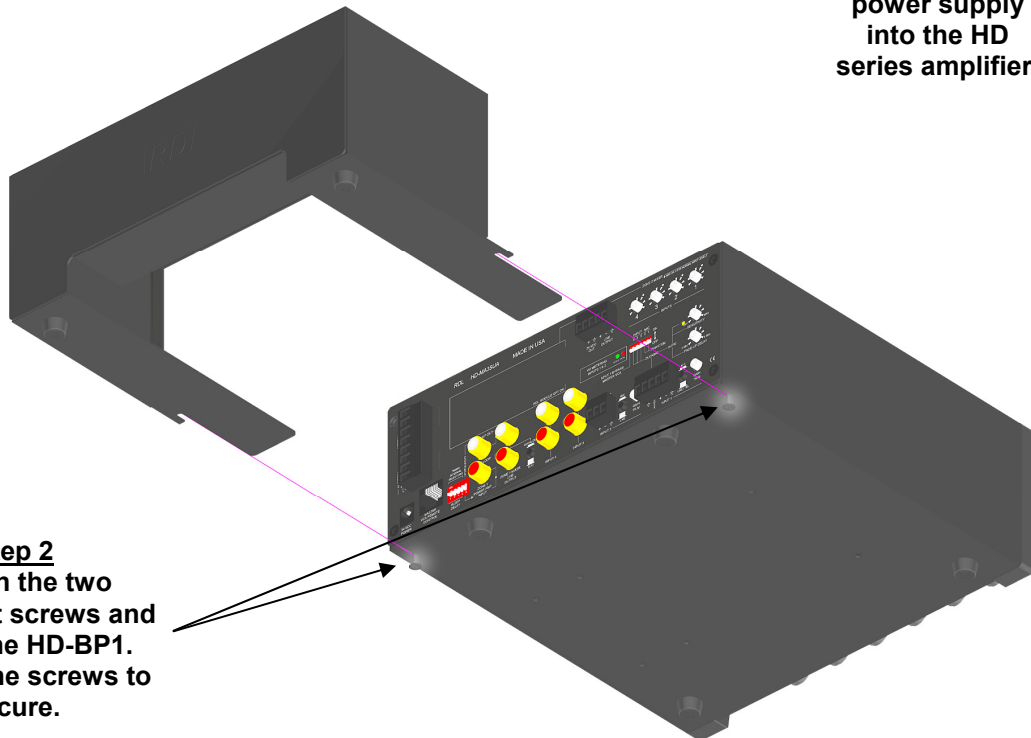

EN55103-1 E1-E5; EN55103-2 E1-E4
Typical Performance reflects product at publication time
exclusive of EMC data, if any, supplied with product.
Specifications are subject to change without notice.

The HD-BP1 was designed to be installed after all connections and set up adjustments have been made to the HD series amplifier.

Step 1
Install the power supply into the HD-BP1. Plug the power supply into the HD series amplifier.

Step 2
Loosen the two outermost screws and install the HD-BP1. Tighten the screws to secure.
