

Product specification sheet

Product title | DEF-KA44-016 KA 44 Alu box 360x260x320

Description

The Defender KA44 is a lightweight, robust aluminium box. Whatever you need to protect and wherever it's going the KA44 aluminium case is ready for the task. Aluminium is unaffected by extreme cold or heat, is antimagnetic and rustproof. Because aluminium is very easy to clean Defender boxes are ideally suited for use in clean room and food environments. The box offers an excellent quality at a very competitive price. The Defender range can provide you with the best and most economical solution. Note: at the height of the base profile, the interior dimensions are 20mm smaller all around than given at the interior dimensions.
