- When inserting or removing this product, refer to the owner’s manual supplied with the host device for instructions and safety information.
 - To find out whether the host device supports this product, refer to the owner’s manual for the device or visit the following Yamaha Pro Audio website:
<https://www.yamahaproaudio.com/>

PRECAUTIONS

PLEASE READ CAREFULLY BEFORE PROCEEDING

Please keep this manual in a safe place for future reference.

WARNING

Always follow the basic precautions listed below to avoid the possibility of serious injury or even death from electrical shock, short-circuiting, damages, fire or other hazards. These precautions include, but are not limited to, the following:

- Before installing the card in a device, check to make sure that the device is compatible with the card. Also, do not install the card in any Yamaha products not specified by Yamaha for use with the card to prevent electrical shock, fire, or damage to the product(s).
- Do not attempt to disassemble or modify the card. Do not apply excessive force to card connectors or other card components. Doing so may cause electrical shock, fire, or damage to the product(s).
- Be sure to turn off the host device and disconnect the power cable of the host device before installing the card and connecting/disconnecting the cables to prevent electrical shock, undesired noise, or damage to the product(s).
- Be sure to turn off the host device and all peripheral devices connected to the host device before installation, and unplug all related cables to prevent electrical shock, undesired noise, or damage to the product(s).
- Do not place any burning items or open flames near the product. Doing so may cause a fire.

CAUTION

Always follow the basic precautions listed below to avoid the possibility of physical injury to you or others, or damage to the device or other property. These precautions include, but are not limited to, the following:

- Be sure to properly ground the host device to prevent electrical shock, fire, or damage to the product(s).
- Do not touch the metallic leads (pins) of the circuit board when handling the card. Doing so may cause hand cuts.
- Be sure to wear a pair of heavy gloves during installation to prevent scratching or cutting your hands on sharp edges.
- Do not place the product in a location where it may come into contact with corrosive gases or salt air. Doing so may cause damage to the product(s).

Yamaha cannot be held responsible for damage caused by improper use or modifications to the product, or data that is lost or destroyed.

NOTICE

To avoid the possibility of malfunction/damage to the product, damage to data, or damage to other property, follow the notices below.

Handling and maintenance

- Do not use the product in the vicinity of a TV, radio, or other electric products. Otherwise, the product, TV, or radio may generate noise.
- Do not expose the product to excessive dust or vibration, or extreme cold or heat, in order to prevent the possibility of panel disfiguration, unstable operation, or damage to the internal components.
- Do not install in locations where temperature changes are severe. Otherwise, condensation may form on the inside or the surface of the product, causing it to break.
- If there is reason to believe that condensation might have occurred, leave the product for several hours without turning on the power until the condensation has completely dried out, in order to prevent possible damage.
- Do not place vinyl, plastic or rubber objects on the product, since this might cause alteration or discoloration of the panel.
- Clean the product with a dry and soft cloth. Do not wipe product surfaces with sodium hypochlorite, alcohol, benzene, paint thinners, cleaning fluids, or a chemical-impregnated wiping cloth, which could cause discoloration or change surface characteristics.
- Drain all static electricity from your clothing and body before handling this product. Static electricity can damage this product. Touch an exposed metal part of the host device or other grounded object beforehand.
- Do not touch exposed connectors and metal parts to minimize the possibility of inferior connections.
- Do not drop this product or subject it to physical shock as this can result in breakage and/or malfunction.
- Do not drop screws or other small parts inside the card. If power is applied while screws or similar metal objects are loose inside the unit the card may malfunction or be damaged. If you cannot retrieve dropped objects yourself, refer the problem to qualified Yamaha service personnel.
- Do not remove the screws attached to this product. Otherwise, damage or component failure might occur.

Warning: Operation of this equipment in a residential environment could cause radio interference.
